

ROBERTS PROMISE TO YOU - I WILL:

- **Campaign** for action on traffic with **20 mph limits in residential areas**, and **safe crossings for walkers** to protect lives.
- Press for **affordable homes** as part of Swanley developments
- **Safeguard local parks, recreation grounds, and green spaces**
- Get a grip on Swanley Town Council's finance and services.

WE WANT THE PLAN FOR SWANLEY WRITTEN BY LOCAL PEOPLE

We've had too many plans written in **Sevenoaks** and foisted on us
by local **Conservative councillors**

We know the best plan for **Swanley** should be developed
by **Swanley people**, and led locally.

- Liberal Democrats tell you what's going on
- Liberal Democrats keep in touch and ask your views.

for Swanley** ✓

Robert has :

- **fought for local services** at Woodlands and the Olympic
- asked **where Swanley Council's £800,00** reserves went?
- **protected the Green Belt** when Conservative councillors wanted to build behind Archer Way, and at Olympic.
- **made Swanley green** - using local recycled biodiesel in council vehicles, solar panels, creating more allotments
- **improved parks** for all the community to enjoy.
- **campaigned against Labour's plans to build** all over Birchwood school site.

Robert cares about both the **quality of life** issues that matter to you -
